

The 11th International Conference and Workshops on Algorithms and Computation (WALCOM 2017)

Hsinchu, Taiwan, March 29-31, 2017

Call for Papers

The 11th International Conference and Workshops on Algorithms and Computation (WALCOM 2017) will be held in Hsinchu, Taiwan during March 29-31, 2017.

To provide an international forum for researchers working in the areas of algorithms and computation, the first Workshop on Algorithms and Computation (WALCOM 2007) was held on February 12, 2007 in Dhaka, Bangladesh and was organized by Bangladesh Academy of Sciences. WALCOM 2008, WALCOM 2010, WALCOM 2012 and WALCOM 2015 were held in Bangladesh; whereas WALCOM 2009, WALCOM 2011, WALCOM 2013 and WALCOM 2014, were held in India. WALCOM 2016 was held in Nepal. The name of this conference has been changed as Conference and Workshops on Algorithms and Computation since WALCOM 2017. The proceedings will be published by **Lecture Notes in Computer Science (LNCS)**. Special issues dedicated to WALCOM 2017 will be published at **Journal of Graph Algorithms and Applications** and **Theoretical Computer Science**. WALCOM 2017 is organized in cooperation with **IEICE** Technical Committee on Theoretical Foundations of Computing (COMP) and the Special Interest Group for Algorithms (SIGAL) of the Information Processing Society of Japan (IPSJ).

Paper Submission

Authors are invited to submit papers (extended abstracts) describing original research of theoretical or practical significance to algorithms and computation. Papers should not exceed 12 pages in LNCS style. Papers significantly shorter than 12 pages are also welcome. If the authors feel that more details are essential to substantiate the main claim of the paper, they may include a clearly marked appendix that will be read at the discretion of the Program Committee. Only electronic submission will be allowed through the EasyChair submission system. Submitted papers must describe work not previously published. They must not be submitted simultaneously to another conference with refereed proceedings or to a journal. Papers can now be submitted online at the following link:
